

## The Town of Two Moons: The New Time Testament Book One

The novel *The Town Of Two Moons* is a journey into the realms of mystical fantasy or esoteric parable. This is a story about the fortress Qumran, on the Essenes, guardians of the sacred mysteries imparted to the Israeli secret esoteric school Damascus, and its eminent graduate Jesus. This epic novel, covers the period well before the First Temple in Jerusalem and helps the reader travel toward today, when all the ancient prophecies are coming true ... Anatoly Lerner (Israel). Born in the former Soviet Union, he worked as a journalist and editor on radio. In 1991 he immigrated to Israel. He has published a book of Russian poems and several of short stories. In 2006, the renowned writer Mark Azov introduced readers to A. Lerner by nominating his novel *Hitchhiking Stop* for the Prize of Ivan Bunin. Following the success of the first book, the author was encouraged to write a novel. In 2009, several chapters of the novel, published as a *Qumran Novels*, were awarded the International Prize Silver Sagittarius. The continuation of the novel is printed in the newspaper *West-East* published in the USA, Canada, Germany. In 2013, the first book of the novel series *The Town of Two Moons* became the winner of the International Prize Literary Heritage. In late 2014, the author completed the second book of the novel series, called *At the Crossroad of Destiny*. Translated from the Russian
