

The Ultimate Guide to Surviving Your Divorce: Your Money, Your Property, Your Strategy, Your Team

Going through a divorce? Afraid of being left with nothing? Take matters into your own hands with this powerful new book about divorce settlements by Carol Ann Wilson, a well-known and experienced specialist in marital financial issues. Wilson's insightful commentary and helpful hints are just what you need to boost your confidence and leave your marriage as a winner. This excellent reference guide not only addresses the major complex financial issues surrounding divorce, it also provides you with a complete overview of divorce procedures. Several case studies illustrate the main keys of this book, and allow an insight in different perspectives: from husband, wife, and financial planner. You'll gain intimate knowledge about: - The legal process and getting legal advice from divorce lawyers - Dividing property such as your house and your retirement plans - How to find hidden assets - The rules for paying and receiving alimony - Child support issues - Money and divorce financial issues, including debt, credit and bankruptcy - Building your divorce survival team - Sample divorce forms - and much more! Going through a divorce means difficult times for everyone involved. Discover how you can make your life easier and survive; your marriage without painful economic losses, using this new book as your ultimate guide. In no time, you will be aware of common pitfalls and able to develop effective strategies for the most advantageous divorce settlement. Don't become another divorce statistic!
