

# A Family Guide to First Aid and Emergency Preparedness

As a parent, your family's health and safety is your top priority. It's a big job but with A Family Guide to First Aid and Emergency Preparedness from the American Red Cross, help is at your fingertips. Trusted first aid information helps you quickly manage common medical emergencies like allergic reactions, asthma, choking, broken bones, nosebleeds, knocked out teeth and more. Plus, the accompanying DVD enhances learning with step-by-step demonstrations. You'll also learn how to guide your family through disasters such as hurricanes, floods, fires and even terrorist events. You'll find comprehensive checklists that help you create a family emergency plan and build an emergency preparedness kit. A Family Guide to First Aid and Emergency Preparedness takes a positive approach to learning—fun interactive activities get the whole family involved, helping children respond to emergencies confidently. Your family can be smarter, better prepared and safer. A Family Guide to First Aid and Emergency Preparedness makes it easy.
