

## The Ultimate Soup Book: 250 Soups for Appetizers, Entrees, and Desserts (Plume)

Cold or hot, hearty with meat and pasta or light and delicious with in-season fruits, soup is a dish to make any meal special. Authors Julia Older and Steve Sherman tested all 250 of these irresistible recipes in their home kitchen using ordinary supermarket ingredients. They made sure salt was kept at a minimum, freshness was highlighted, and no recipe was too complex or time-consuming for our busy lives. With these savory and innovative recipes you can start the day with a Brazilian Vitamina Soup, a chilled tropical blend of mangos, strawberries, avocado, and banana--ripe and bursting with flavor. If you need a quick dish to please everyone, you can whip up Eggplant Soup, unexpectedly flavorful and delicious. Celebrating an anniversary or birthday? Pop the cork and serve Crab Champagne Soup. Tired of doing dishes? Prepare a one-pot dinner such as Kielbasa Cabbage Soup. Planning an elegant dinner party? Start off in style serving Truffle Soup with Puff Pastry. Looking for a different dessert? Chocoholics will love chilled Chocolate Mint Soup, a rich but refreshing ending to a perfect meal. Traditional favorites and international specialties, for any meal or occasion, here are good soups galore!
