

The Van Meter Visitor: A True and Mysterious Encounter with the Unknown

For several nights in 1903, the small town of Van Meter, Iowa was terrorized by a giant bat-like creature that emerged from an old abandoned mine. The identity of this mysterious visitor was never discovered. Over 100 years later, three researchers set out to Van Meter to shine a light on this amazingly bizarre case. Filled with eye witness reports, historic photos, and current accounts of the paranormal, this in-depth book looks to discover what really happened in the town of Van Meter.
