

# The Global Vegan Family Cookbook

For fans of The Vegan Family Cookbook, as well as anyone who is concerned about animals, the environment, and their health, Chef Brian McCarthy is back with a cookbook that shows that international vegan food is not only good for the planet and good for you, but its easy and fun to prepare, too. The Global Vegan Family Cookbook contains more than 300 simple, nutritious recipes, such as Turkish Bean Soup and Cardamom Coconut Bread Pudding. Along the way, you will sample appealing appetizers, blissful breakfasts, and decadent desserts with origins from around the globe. Written by a professional chef who has been eating and enjoying a vegan diet for two decades, this cookbook will take you on a culinary trip around the world without the need for a passport. Vegan cooking has never been more diverse, or delicious!
