

The World of Beretta: An International Legend

Fabbrica dArmi Pietro Beretta, S.p.A., the oldest industrial firm and the oldest gunmaker in the world, launches its 475th anniversary with the publication of this lavish history and celebration of a unique world of Beretta firearms. Beretta remains under the stewardship of its founding family and reigns as one of the few international brands symbolic of unsurpassed quality. Skyhorse Publishing is proud to publish a broad range of books for hunters and firearms enthusiasts. We publish books about shotguns, rifles, handguns, target shooting, gun collecting, self-defense, archery, ammunition, knives, gunsmithing, gun repair, and wilderness survival. We publish books on deer hunting, big game hunting, small game hunting, wing shooting, turkey hunting, deer stands, duck blinds, bowhunting, wing shooting, hunting dogs, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.
