

## INVESTMENT FOR LIFE: 11 RULES TO REMEMBER

Most of us never tried to think of investment at our early age. The age at which we are just busy in doing our daily work like playing, going to school, doing homework, annoying our siblings, making jokes of our friends etc. etc. But we never really think about saving seriously apart from our monthly piggy bank saving, which we generally use for buying some electronic gadgets, or game or to go for our favorite movie.
