In the process, they will master how to stock a home bar without gutting the bank account. Recipes include five simple and delicious cocktails from each of the booze categories (gin, tequila, rum, vodka, whiskey, plus the whatnots), supported by the history and distinctive characteristics of each liquor type. A few basic and not-so-basic techniques for mixing and serving cocktails round out the useful information, including a steady and humorous supply of booze-related factoids worthy of showing off at a cocktail party.
