

Through the Year with Brian D'Arcy

Irish columnist Brian D'Arcy is a regular radio and television broadcaster and is a well-known 'chaplain to the worlds of music, the arts, and broadcasting. This book contains a short reflection for each day of the year on cultural, political, social, and religious matters. His interests are wide and his courage is huge - he does not hesitate to tell it as it is, no matter what the subject. As well as serious challenging issues in social, political, church, and spiritual life, the reflections here also contain a range of helpful hints, wise quotations from philosophers and thinkers of all ages, and occasional hilarious stories and anecdotes. Something for every one!
