

Ignite Your Speaking Skills

Do you need help with that next presentation? Do you wonder how to make your speaking more entertaining? The answers to these and many more questions are here. This book represents the best speaking tips and techniques I've learned over a decade that I've studied and done public speaking. I've kept my tips short, easy to use, and every tip is road tested by me so I know they work. Ignite Your Speaking Skills will help you take action and speak better...today!
