

Travel Posters: Train Journeys (Travel Posters)

In an era of high-speed trains monotonously shuttling their human cargo, Jean-Paul Caracalla, railway writer and formerly of Wagonslits, gives us a chance to press life's pause button and enjoy some stunning posters. Period masters, like Cheret, Brenet, Villemot, Loupot, Savignac, Morvan, Francois and even Dali possessed a magic that turned the simple advertising message into enchanting and meaningful art. Turning the pages, we journey through time and among the great names.
