

Percys Stories

So what makes this childrens book the must have gift for parents? Its whats not written that has parents all over the U.S. loving this book and sharing it with their friends and family. The text will gently rock your little one to sleep with stories about what happens to Percy when the mailman comes to deliver a package, and when the whole family cooks pizza, however it will simultaneously rock your love-life in a way you never thought possible. Your little ones wont notice the innuendos that will send them straight to sleep, and you and your loved one straight into the bedroom. Flip through the pages here, go ahead and add it to your Baby Registry in the lower right hand corner or share this link with friends and family. Were passionate about making life interesting, especially during parenthood, so congrats on finding one of the first books to entertain both children AND parents.
