

TURMOIL IN U.S. CREDIT MARKETS: THE ROLE OF CREDIT RATING AGENCIES

The BiblioGov Project is an effort to expand awareness of the public documents and records of the U.S. Government via print publications. In broadening the public understanding of government and its work, an enlightened democracy can grow and prosper. Ranging from historic Congressional Bills to the most recent Budget of the United States Government, the BiblioGov Project spans a wealth of government information. These works are now made available through an environmentally friendly, print-on-demand basis, using only what is necessary to meet the required demands of an interested public. We invite you to learn of the records of the U.S. Government, heightening the knowledge and debate that can lead from such publications.

March 2010. This section addresses the role that credit rating agencies (CRAs) played in the credit crisis. Two U.S. firms dominate the CRA market: Standard and Poors.
