

## Wall Streets Picks 2001

The 2001 Wall Street dream team has once again been rounded up. Three dozen of Wall Streets top investment experts have selected their favorite stock or mutual fund to own for the coming year. Continuing the successful format of providing in-depth reports on the most promising stocks and mutual funds, Wall Streets Picks for 2001 also profiles each expert. The biographies of the panelists reveal their market perspectives and personal secrets for investment success. According to financial columnist Humberto Cruz, its the most valuable part of the book. Clearly explained investing strategies coupled with exclusive insights from the investment worlds top money managers in their own words offer investors more than just 36 standout investment opportunities. Readers will also: \*Understand the details behind each winning selection including financial figures and performance charts \*Uncover ways to beat the market and increase returns no matter how the market turns \*Avoid common investing pitfalls by learning the biggest financial blunders of the panelists
