

Under the hood: A mans guide to female mechanics

Have you ever wondered what some guys have that you dont have? How come even the jerks and players are able to get a date but you cant? Or why is it that you are always placed in the Friend Zone? Perhaps you have wondered what it is that actually attracts women because despite having a nice job, a nice car and lots of money, you still cannot score a date? Maybe it has even crossed your mind that there might be something wrong with you? And what does she mean when she says no but it transpires that its a yes? Do you find it difficult to understand what a woman really means by what she says? How about if you knew the sure fire signs that she was into you? This book answers all those questions and more. By reading about the secrets to wooing even the most beautiful woman and applying the suggestions contained herein, I can guarantee that you will at least get a date to begin with, and hopefully a long and lasting relationship with the woman of your dreams.
