

How To Present With Confidence (NLP series for the workplace)

Are you a person who is fearful of giving presentations? Do you dread or avoid giving presentations, because you are afraid you will mess up and you will be humiliated? If so, then How To Present With Confidence (4880 words) is the eBook for you. In it you will learn the following: * The default ways of thinking that you have when it comes to giving presentations, which can cause you problems. * The power of imagination to help you think differently about giving presentations, for the better. * A powerful and practical technique you can start to use today to overcome negative thinking about your ability to give presentations, and approach presentations with a confident and self-assured attitude.
