

When ALL Else Fails: Minimizing the Damage Before, During, and After Divorce

Learn from the mistakes of others. You cant live long enough to make them all yourself. Author Unknown Youre probably standing in a book store or on a computer somewhere looking for a book about divorce. There are probably several feet of shelving holding up books about divorce, and a few hundred more out there online, so why read this one? Do you want to know how to decide whether to stay married and work it out or get divorced and start over? This book can tell you what to consider. Do you want to know what divorce lawyers really think about their clients? This book can tell you. Do you want to know how judges feel about divorce drama and tragedy being played out in their courts? This book can tell you. Ever wonder what the custody evaluation or social study expert is looking for when they evaluate you? This book can tell you. Do you want to know what you can do to protect your children from the fallout from your divorce? This book can tell you that too. Do you ever wonder what it will take for you to recover from your divorce and get back to a normal life? This book can get you started. Simply put, Dr. Kevin Karlson is one of the most qualified experts on divorce anywhere. Dr.Karlson has been described as one of the best coaches in the divorce litigation business. Trained both as a psychologist and as a lawyer, his unique consulting practice includes personal coaching with divorce litigants, consulting with family law attorneys, and online consultations via Skype and FaceTime with clients all over the country, in addition to writing, teaching, and speaking. He has devoted his professional life to working with divorcing people, and has been involved in one way or another with thousands of divorces. Literally NO one has as much experience with as many aspects of divorce and divorce recovery Dr. Karlson, and he wants to share the fruits of that experience and the lessons learned

with you. Starting with the decision to divorce all the way to the challenge of rebuilding your life and relationships after the legal divorce is finalized, Dr. Karlson has the unique ability to integrate the legal, psychological, and emotional aspects of divorce into one comprehensible story, and then to provide both tips and tools for each phase to help you not just survive divorce, but overcome!
