

## Vacationing with Little Ones: And Other Thoughts from a (Slightly) Overwhelmed Mom of Two Small Boys (Good Mom Book 2)

Shelley Wenger is a part-time vet tech and a full-time writer, wife, and devoted mother of two boys. Her second book, *Vacationing with Little Ones*, chronicles the joys and struggles of motherhood alike as she tackles the day-to-day challenges of raising young children. From chickens loose in the house to negotiating feelings of inadequacy as a parent, *Vacationing with Little Ones* is packed with stories that are humorous, heartwarming, and universal. Wengers tales remind all mothers that they are not, and never will be, alone.
