

Vermouth: The Revival of the Spirit that Created Americas Cocktail Culture

Previously fallen from grace, vermouth is once again the next big thing in spirits. Over the years, vermouth has fallen from grace, but the truth is, without vermouth, your martini is merely an iced vodka or gin. Now, once again, vermouth is being touted as the hottest trend in spirits. It is showing up in copious amounts on the best cocktail menus in the best cocktail lounges around the country. Vermouth has a rich history, deeply intertwined with that of America, and this book offers the first-ever detailed look into the background of this aromatized, fortified wine, as well as vermouths rise, fall, and comeback in America.
