

## Sport Science in Europe 1993- Current and Future Perspectives (Sport, leisure & physical education)

SLPE is mainly reserved for congress volumes, which are published in English and which give a general idea of international developments in sport and sport science. Apart from congress papers SLPE is open to further scientific reports, discourses and essays about sport and sport science. This volume includes a wide range of articles concerning sport sciences. Four fields are touched throughout the collected papers: I. Leisure and Recreational Sport II. Elite Sport III. Adapted Physical Activity and IV. Physical Education.
