

Bacon Sleep Sex

Love, travel, enduring friendships, alcohol & drug culture and lifes all too common relationship dilemmas is Bacon Sleep Sex as it spans eight years and ten countries. Join two friends from London, Natalie and Joe as they embark on journeys through their twenties and through new, never to be repeated experiences across the world. An unexpected event during a debauched night out results in Natalie finally recognizing her own true feelings and ultimately having to choose what and who she really wants and needs in her present and in her future.
