

## Band of Angels

In the continuing battle between Heavenly forces and the dark armies of Hell, Satan seeks to execute a plan, hatched centuries ago, to sneak into Heaven, defeat God, and finally seize the eternal throne to himself. With all the tricks up his sleeve at his disposal, Satan leaves barely a room for any thought of failure at all. However, time and again, God has a way of dealing with such high-minded air; and this time, yet again, he looks at a lowly human being to bring down the mighty air of the great pretender. Alisha, the human being, is even a long shot from being too enamored with God. She even believes God is not particularly fond of her, too. What happens when Alisha and Satan finally confront each other will decide the fate of the world.
