

Yahoo! Ultimate Guide to Finance and Money on the Web from bonds to bills, mortgages to mutual funds, credit to car loans

Your indispensable companion to finance on the Internet! From Yahoo!, the most recognized name on the Internet, comes a selective, easy-to-use guide for enhancing and streamlining your financial life. E-commerce maven and Forbes journalist Julie M. Fenster will help you define your financial objectives and teach you how to use the richest and most established sites on the Web, beginning with Yahoo! Finance, to attain your financial goals. In this guide, you'll learn how to use the Web to: find the best places to buy, research, and sell stocks; pay your bills online; understand your retirement options; determine ways to run and participate in profitable auctions; comparison shop for mortgages, college scholarships, and car loans; discover many more financial services. Ideal for investors, desktop traders, students, researchers, shoppers, and browsers, Yahoo! Ultimate Guide to Finance and Money on the Web will serve as an essential resource, teaching you where to go for specific kinds of financial information; how to be efficient at a site; and how to save, invest, and find financial information.
