

Magic Tiger Butter Recipe - Ghee

While researching background material for my childrens book, A Lad & the Tigers, I became interested in Ghee which is butter that is clarified and cooked so that all the milk solids separate from the pure butter and a nutty flavor and aroma emerge. Because the milk solids are removed, Ghee is a more stable form and lasts longer than regular butter. I love Ghee on broiled fish with almonds and I am sure that once you try it you will love this magic butter that has been known to the lovely people of India for centuries. I refer to it as Tiger Butter for at the end of A Lad & the Tigers the Tigers ran around the tree so fast they melted and turn into Ghee. RFG
