

Abiding Darkness (The Black or White Chronicles, Book 1)

It is 1945 in Mississippi cotton country, and Missy Parker is seven years old, strong willed, and very precocious. Her best friend, Junior Washington, lives across Cat Lake from the Parkers plantation. Missy, her big brother Bobby, and Junior are inseparable. However, the Parkers and the Washingtons are of differing faiths and different races. Against the background of the dynamic relationships between these rich characters, an enthralling struggle between good and evil emerges when a demon targets Missy and creates havoc throughout her family and community. This first book in The Black or White Chronicles relates the sweeping saga of a young girls battle with one of hells minions determined to destroy her and those closest to her.
