

Successful QuickBooks Consulting: The Comprehensive Guide to Starting and Growing a QuickBooks Consulting Business ---Ideal for Bookkeeping or Bookkeepers, Accounting or Accountants, or Consultants

This book will help you start earning money in your OWN business with the wealth of information it provides. It includes steps to start your own business (and estimated start up costs); how to define your services and set billing rates (includes average billing rates); how to improve your knowledge and experience; obtain new clients and effective marketing ideas; details about websites, client engagements, market opportunities, growing the business, and MUCH more. The book includes results of a national survey of QuickBooks ProAdvisors about their annual income, use of engagement letters, over 300 comments and advice on things they wish they had known sooner or done differently, their KEYS to SUCCESS and more! Bookkeepers, accountants, tax preparers, and consultants will all find beneficial information in the book. With your own business, you can decide what hours you want to work, services to provide, and work from home if you choose! This book will help you SUCCEED!
