

Whats Best Next: How the Gospel Transforms the Way You Get Things Done

Do Work That Matters Productivity isnt just about getting more things done. Its about getting the right things done---the things that count, make a difference, and move the world forward. In our current era of massive overload, this is harder than ever before. So how do you get more of the right things done without confusing mere activity for actual productivity? When we take Gods purposes into account, a revolutionary insight emerges. Surprisingly, we see that the way to be productive is to put others first---to make the welfare of other people our motive and criteria in determining what to do (whats best next). As both the Scriptures and the best business thinkers show, generosity is the key to unlocking our productivity. It is also the key to finding meaning and fulfillment in our work. Whats Best Next offers a practical approach for improving your productivity in all areas of life. It will help you better understand: Why good works are not just rare and special things like going to Africa, but anything you do in faith even tying your shoes. How to create a mission statement for your life that actually works. How to delegate to people in a way that actually empowers them. How to overcome time killers like procrastination, interruptions, and multitasking by turning them around and making them work for you. How to process workflow efficiently and get your email inbox to zero every day. How your work and life can transform the world socially, economically, and spiritually, and connect to Gods global purposes. By anchoring your understanding of productivity in Gods purposes and plan, Whats Best Next will give you a practical approach for increasing your effectiveness in everything you do.
