

## Four Weeks of... Breasts

Everybody loves breasts, especially when they're nice, big, firm, tender, juicy... grilled and fried? Get your mind out of the gutter; we're discussing chicken breasts. One man decided that the mindset of chicken breasts being basic and boring was incorrect, and went on a culinary exploration to figure out ways to make them a centerpiece of meals once again. For four weeks, he and his robotic buddy cooked, grilled, fried, and otherwise made edible (and in a few cases, inedible) a chicken breast a day. For this man, it was Four Weeks of Breasts.
