

## If Everyone Were Rich, Who Would Make Me Dinner?: You're Not Insane—It Really Is Tough to Become Wealthy!

It's not your imagination: the wealthy do get wealthier, while you still struggle from paycheck to paycheck. In this eye-opening money manual, seasoned certified public accountant Joseph Rouse explores why millions of hard-working, middle-class Americans like you have such a hard time making ends meet and then delivers a no-fail plan for taking charge of your financial destiny. Rouse examines today's social, political, and economic realities that force most people to work long hours and even multiple jobs just to get by. And he tells how and why, if you aren't careful, you will most certainly lose your ability to retire at all. Rouse's must-have guide to financial freedom delivers the tools and guidance you need to stop feeling helpless and start managing your finances with confidence. With his straightforward, solid, empowering approach, you will learn how to overcome every obstacle placed in your way by politicians, mass media, and your own temptations; destroy debt forever; and get on your way to building an impressive nest egg for yourself and your family. At last, anyone and everyone can get ahead, achieve financial security, and enjoy a much-deserved, rich retirement!
