

A Companion to Global Historical Thought (Wiley Blackwell Companions to World History)

A Companion to Global Historical Thought provides an in-depth overview of the development of historical thinking from the earliest times to the present, across the world, directly addressing the issues of historical thought in a globalized context. Provides an overview of the development of historical thinking from the earliest times to the present, across the world, through essays written by a team of leading international scholars Complements the Companion to Western Historical Thought, placing non-Western perspectives on historiography at the center of the discussion Explores the different historical traditions that have shaped the discipline, and the challenges posed by modernity and globalization
