

Wine

For everyone who has discovered the delights of drinking wine but would like to know more about what makes each one special, Hugh Johnson's Wine is packed with information on the entire winemaking process, from grape to table. Soil, climate, vintages, the role of the winemaker, shipping, bottling, and selling are just some of the subjects covered in this classic guide, which established Hugh Johnson as today's foremost wine writer and a leading authority in his field.
