

Wish: Some see a weed, others see a wish.

Wish: Some see a weed, others see a wish.

Evie James was born in the South West of England in the early 1980s, where she still lives with her daughter. Wish, is Evie's first book and tells the true story of the 11 years of abuse she suffered at the hands of her violent ex partner and how she escaped.

Evie has written her story to help raise awareness of domestic abuse and to help empower those in a similar circumstance. Evie is a passionate campaigner against domestic abuse and 10% of all proceeds from Wish will be donated to the charity, Survive. <http://eviejameswish.co.uk> Evie writes using a pseudonym to protect the identity of all those involved.
