

# Conflict in Relationships: Understand It, Overcome It: At Home, At Work, In Life

Conflict doesn't have to be a stumbling block in relationships; it can actually be the cornerstone of a new way of relating. Whether it's a partner or a boss, a sister, or a father-in-law, this book will help everyone understand themselves better and approach conflict with a new perspective. Looking at the varying factors that influence how different people relate, this book draws on years of research to explain the factors at play in conflict, as well as how to overcome them. Complete with self-assessment quizzes, this ultimate guide to greater self-awareness can teach readers how to handle conflict and revitalize relationships.
