

Writing for the Mass Media

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. Writing for the Mass Media remains one of the clearest and most effective introductions to media writing on the market. This book offers clear writing, simple organization, abundant exercises, and precise examples that give readers information about media writing and opportunities to develop their skills as professional writers. With a focus on a converged style of media writing, and converting that style into real work, this eighth edition maintains its classic and effective text-workbook format while staying ahead of the curve and preparing professionals for their future careers.
