

Yearbook of International Organizations: Volume 1--Organization Descriptions and Cross-References (Yearbook of International Organizations Volumes 1a & 1b)

This is the most comprehensive reference resource and provides current details of international non-governmental (NGO) and intergovernmental organizations (IGO). Collected, documented and disseminated by the Union of International Associations (UIA), with a century of expertise, you can find here detailed and profound information on international organisations worldwide, from the United Nations, the ASEAN and the Red Cross to sporting bodies and religious orders. Besides historical and organizational information (e.g. on aims, subject orientation and locations), you will also find details on activities, events or publications as well as the most current contact details. Included are also biographies of the leading individuals of the organizations as well as the presentation of networks of organizations.
