

Yeshiva Girl Stories

A collection of linked stories, *Yeshiva Girl* explores the little-known world of American Orthodox Judaism from a young girls perspective. A feminist coming-of-age story paralleling the experiences of Chaim Potok's yeshiva boys, Besserman's collection depicts the limited intellectual and social expectations, and stunted future promise, of precocious girl-children like Pnina, who, from her earliest days in a strictly orthodox, all-girl yeshiva (Jewish parochial school) finds herself first questioning, and gradually rebelling against, family constraints as she seeks to forge a new identity in the secular (gentile) world outside her community before ultimately coming to terms with her own.

9781938846137: Yeshiva Girl Stories - AbeBooks - Besserman Feb 10, 2016 Estee Ackerman, of West Hempstead, may only be 14, but this thoughtful, well-spoken young lady is a serious table tennis player who was one **100 Years of the Best American Short Stories - Google Books Result** If you are addicted to Pornography, please read my story.
