

You CAN Make a Difference

In *You CAN Make a Difference*, Alan Miller, host and producer of the *Access to Democracy* television program in Minnesota, describes how a local television program can change your life and the life of your community. Says Miller: I was urged to write this book by Congressman Keith Ellison of Minnesota's 5th District, and by Minnesota Supreme Court Justice Paul Anderson; I hope that this volume lives up to their faith in me, and that it offers inspiration to readers to recognize that you CAN make a difference.
