

## Insider Secrets To Making Money With Utube

Are you a big film fan, do you dream of one day seeing your name emblazoned across the silver screen as a world-famous director or are you constantly coming up with ideas for the next great film or just looking for a way to share your passions and skills and knowledge with the world by making informational videos? What if I told you that thanks to YouTube, you could not only start making videos to help you learn your craft or share your knowledge or inspire others, but you could get paid in the process! That's right, you heard me you can get paid for creating YouTube videos! The getting in touch with your inner Spielberg course will teach you everything you need to know from how to come up with a topic and dialogue for your video to the proper techniques for lighting and sound, as well as the most effective way to monetize (gain financially) from your videos. By the time you finish this course you will have the basic foundation to become a social media Spielberg and get paid to share your passion for making movies or anything in between, all being paid for the privilege. Who knows if you are very lucky, you may even get paid like Spielberg. What you will learn: 1) You will learn how to properly choose a subject and/or topic for your video. 2) You will learn how to write an interesting and engaging script that will hold your audience's attention. 3) You will learn about proper camera angles, as well as sound and lighting techniques to ensure that your audience sees the best presentation possible. 4) You will learn how to successfully advertise your videos on all other social media outlets such as Facebook and Twitter so that you can generate a loyal viewer base for your videos. 5) You will learn how to use the proper monetization techniques to generate a reasonable profit with your videos. 6) You will learn how to properly set up a YouTube account and/or channel. 7) You

will learn how to use affiliate marketers to not only advertise your video on various sites, forums and bookmarking platforms but also the proper techniques for using affiliate marketers to generate even more profit within a market demographic. 8) You will learn various techniques for selling different products and/or services in your videos as well as how to reach a specific market demographic.
